

LET'S LIGHT UP HUGHENDEN – A FESTIVE CELEBRATION, 2020

It has certainly been a challenging year for us all in more ways than one. As the evenings draw in and winter beckons it is perhaps time to take stock of what has been positive. Hughenden Street Association has continued to work with partners across the parish keeping residents informed via its weekly newsletter about a wide range of topics from scams, mental health and competitions going on across the parish. Using its Facebook page and Twitter account the Association seeks to reach the wider community. Whilst there has been a lot of sad news there are some beacons of good news that should draw us in. The renewed and sustained sense of community has been amazing. Add to this a willingness to look outside of our immediate community through the fantastic support given to the One Can Trust food bank in High Wycombe Wycombe.

We are now in a second Lockdown which will limit our ability to meet and chat in person. The Association has come up with an idea to at least help us take a stroll (safely) with its 'Light Up Hughenden' project. Working with Hughenden Church the idea is to decorate our gardens at Christmas to bring as much light as possible during the winter nights. Hughenden Valley HSA has already signed up and we do hope that all Wards will take the idea and develop it to suit their location. Can anyone do better than the annual display on Valley Road? Let us celebrate what we have achieved by lighting up Hughenden.

If you would like to receive your own copy of the Association's weekly newsletter then drop an email to the editor with 'newsletter, please' in the subject line. It is also available on our Facebook page, published on Twitter and uploaded to the HV residents association website and the 'What's On' Facebook page.
